Re: Notice of Oral Ex Parte Communication, CC Docket 99-200 and CG
Docket 03-123

On July 16, 2009, the undersigned as counsel, together with Kim Scovill, Senior Director of Government Relations of TeleCommunication Systems, Inc. ("TCS") met with Nicholas Alexander of Commissioner McDowell's office and Jennifer Schneider of Commissioner Cope's office. TCS' representatives discussed why the Federal Communications Commission's grant of the above referenced petition is necessary to protect public safety by ensuring the continued efficient provision and deployment of VoIP E911 service. They also discussed why the grant of the requested waiver would result in a significant conservation of numbering resources, as well as the Commission's jurisdiction over the terms and conditions under which VPCs' offer services. In addition we discuss TCS' "Text to 911" Service. The attachments which were left are attached hereto.

Pursuant to the Commission's rules, 47 C.F.R. § 1.1206(b)(1), this letter is being filed electronically for inclusion in the record of the above-reference proceeding.
